

Fittings Product Guide

Camozzi offers a large selection of fittings and accessories suitable for a wide range of applications. Super-rapid fittings and accessories are available in different dimensions from M5 [10-32 UNF] to 1/2" NPTF. Our fittings range includes the patented and longstanding **Pro-Fit®** system that guarantees tightening or sealing and facilitates the repeated removal and reassembly of the fitting.

KEY		
Code		
G/BSPP	=	British Standard Pipe Parallel
BSP	=	British Standard Pipe
R/BSPT	=	British Standard Pipe Tapered
NPTF	=	National Pipe Thread Fuel
